**RE: FALL CAMP – NOVEMBER 2 – 4, 2007**

Dear Parents:

Fall camp this year is being held at Kamp Kiwanis from Friday the 2<sup>nd</sup> to Sunday the 4<sup>th</sup>. The buildings we are staying are equipped with heaters so don't worry about the weather. Attached is a kit list, map and permission form. Please return the permission next week, Thursday, October 18, 2007. If the permission form is not handed in by the end of that night, it will be assumed that your cadet will not be attending the fall camp.

We would like to have the cadets arrive at Kamp Kiwanis between 7:00 pm and 8:00 pm. **NO EARLIER THAN 7:00 PM PLEASE**. Cadets are to have eaten before arriving as there will be no meal served Friday night. Depending on where you live, the trip to Kamp Kiwanis should take about 40 to 45 minutes. The camp is located at the junction of highways 22 and 8 (Glenmore Trail). Please see the map for more details. Please arrive at camp on Sunday at 12:00 pm (noon) to pick up your cadets. If you are not able to pick your cadet on Sunday, please have arrangements made prior to dropping them off Friday night. Please inform the CO who will be picking your cadet up on Sunday, so that we are aware of who your cadet should be with.

Please address any questions to myself.

Yours Aye!

ASLT(NL) Michael Erath

Commanding Officer

# Fall Outdoor Training Weekend

---

Kamp Kiwanis, Alberta

## Kit List

3	T-shirts	1	Toque or hat
2	Sweatshirts	2	Pairs of gloves
1	Heavy sweater	1	Pair of winter boots
6	Pairs of warm socks	1	Pair of indoor runners
6	Pairs of underwear	1	Warm sleeping bag
2	Pairs of jeans	1	Pillow
2	Pairs of sweatpants	1	Water bottle
1	Warm jacket	1	Flashlight
1	Set of combats		Toothbrush & Toothpaste
	Parade boots & polish kit		Comb or brush

### **Please note:**

*The cadets will probably get very dirty and need to change often. To ensure that lost items are kept to a minimum please label all items with the cadet's name.*

### **Medications:**

**All medications must be turned over to the camp commander. This ensures proper distribution, control and safety for all cadets.**
